

# Certificate

for the implementation of an HACCP System

203 F 09

It is confirmed, that the  
**Steirische Tierkörperverwertungsgesellschaft m.b.H. & Co KG**

A-8461 Ehrenhausen, Landscha 8

has implemented a HACCP-SYSTEM for the collection of animal by-products and the production of animal protein and animal fat in accordance to the regulation ec 1774/2002.

The implementation follows the

RECOMMENDED INTERNATIONAL CODE OF PRACTICE GENERAL PRINCIPLES OF FOOD HYGIENE (CAC/RCP1-1969, Rev.4-2003)

the audit of the system took place in march 2009 under the Vetcontrol Register number 203 F 09.

This certificate is valid until 31.12.2010.

The annex is part of the certificate and includes 9 pages HACCP HB and 6 pages HACCP HB-Geflügel.

Graz, am 01 April 2009
